

Reality Check

Jabrail Ahmed

B2

3/3/14

Many careers could have helped me live my life style but the many jobs that I would enjoy doing and making money would be a lawyer and a pediatrician and they would have many years of education.

Lawyer:

Lawyers need to know:

Law, Government, and Jurisprudence: Knowledge of laws, rules, court procedures, and the political process.

English Language: Knowledge of the meaning, spelling, and use of the English language.

Customer and Personal Service: Knowledge of providing special services to customers based on their needs.

Administration and Management: Knowledge of managing the operations of a business, company, or group.

Clerical: Knowledge of general office work such as filing and recording information.

Computers and Electronics: Knowledge of computer hardware and software.

Personnel and Human Resources: Knowledge of the department that is in charge of the relationship between a company and its employees. In particular, includes knowledge of the activities performed by the department.

Economics and Accounting: Knowledge of producing, supplying, and using goods and services. Also includes knowledge of the methods for keeping business records.

Money: Yearly \$113,530 in the United States.
